Pi Chapter of Alpha Epsilon State

If you missed it . . .

Our membership enjoyed a program by Youth Resources at our birthday meeting on February 23rd at the Holiday Inn. Youth Resource leaders Ann Burnworth and Daren Harmon introduced several students who have benefited from Youth Resources.

These fine young adults shared their stories of how their lives were enhanced and even turned around by the fellowship and guidance of Youth Resources. All of these speakers volunteered their Saturday morning to share their stories and spread the word of the importance of Youth Resources in our community. Thanks to Pi Chapter's Vice-President of programming, Paula Harmon, for bringing such a worthwhile program to our membership!

Past Presidents

Past Presidents in attendance at the February meeting included from left to right, Kathy Bartelt, Judy VanHoosier, Patti Deig, Cindy Shoulders, Angela Duncan, and Jan Kinney. Seated are charter member Evelyn Hatfield and Carol Ballard.

DIAMOND ANNIVERSARY CELEBRATION FOR ALPHA EPSILON STATE

The state convention on April 26-28, 2013, will be at the Grand Wayne Center in Fort Wayne, Indiana. President, Kathryn Lutz, will represent Pi Chapter.

Please read the following information from State President Darlene Trusty regarding voting at the convention. I will open this as an item for discussion under new business at the April 20 meeting. If you are unable to attend, please email or call me with your thoughts.

“There is an amendment to raise dues \$15 that was proposed by a member. There is a special voting procedure for the increase of dues. There must be a two-thirds vote for this increase to happen. This proposed standing rule will be discussed at the convention. Each chapter president or her official representative (who must be present) shall be entitled to cast one vote for each five active or reserve members. The vote of the chapter may be divided. Please take time to find out how your members feel about the increase in dues. You or your official representative will vote accordingly using this information and the information from the discussion at the convention. It is important that you or your representative is present so that you or your representative will hear the discussion of the attached proposed standing rules as there may be an amendment to just increase dues \$5.”

Looking out for future leadership . . .

With the 2012-2014 Biennium nearly half over, it's not too early to be thinking about who will lead us through the 2014-2016 term. In order to create a smooth transition for the next board, the current board members would like to invite you to inquire about positions you might be interested in filling. As you attend meetings over the next year, please consider a leadership position as an officer or a committee chair. If you are in a place in your life in which you feel you could fulfill a two year commitment of leadership in Pi Chapter, please contact Debbie Hartz, Nominations Committee Chair, @ Deborah.hartz@evsc.k12.in.us or any officer.

President's Message . . .

Being an officer in Pi Chapter is a lot like teaching; we have to understand the goals, plan the programs, accommodate the needs of individuals, and continue learning ways to achieve success as an organization. Pi Chapter officers are able to serve our membership well because they, like all of us, are teachers. We use the same skills as board members as we use in planning, teaching, and managing the classroom. My point is that all of us can do this work. Please consider becoming a leader for Pi Chapter when your life and heart are open to the commitment. You already have the skills.

POINTS FOR PD

Remember to pick up a professional development certificate at the registration table!
